## MESSAGE FROM FOUNDER/ EXECUTIVE CHAIRMAN & PRINCIPAL

Global Pandemic COVID-19 and its economic ramification have made us more responsible towards contributing in overall economic upliftment of Nepal. We strongly feel that the Role of Entrepreneurs has increased many folds in Post-COVID period for positively contributing in Country's GDP and provide relevant employment opportunities to our workforce, not only to those who will be coming to the job market, but also to those, who have lost their jobs due to this pandemic.

KFA was established 23 Years back on 4th July 2001 and is contributing through Training, Education and Consulting initiatives. With its basic ethos of 'Vision Beyond the Box', KFA has always strived to contribute positively in Country's Entrepreneurial and Business landscapes. As per KFA's mission to produce world-class human resources and provide best mix of 'management solutions' through its Education, Training and Consulting Services, KFA Business School's MBA Program aspires to contribute in this mission by implementing 'Dual Faculty System (DFS)', an unique Teaching Methodology, along with other eleven Pillars, adopted by the School. We desire our Graduates to make a significant impact in the economy, for which KFA's teaching methodology revolves around pairing of contemporary case studies with relevant academic chapters in each course. DFS, which brings in Academic Professors (APs) and Professional Contributors (PCs) together in each Class Interactions, has helped us in delivering 360 degrees management education in the School's Masters Level Program.

Besides conducting Academic Programs through DFS, various other initiatives such Industry Based Research (IBR), Entrepreneurship Brainstorming Sessions, Business Enterprise Project Management (BEMP), Professional Entrepreneurship Groups (PEGs), Global Economic Analysis, Evolve Series (Capacity Building and Skills Enhancement Programs), Behavioral Workshop Sessions, and KFA Career Cell add immense value to KFA's MBA Program. We would like to welcome all MBA aspirants to the school and request them to be a part of this unique concept of Management Education in Nepal.

Thank You

**Resta Jha**

Founder/ Executive Chairman & Principal

**Resta Jha**  
Founder/ Executive Chairman & Principal

## MESSAGE FROM DIRECTOR - ACADEMICS & CONSULTING

### Welcome to KFA Business School!

We strive to create an impactful knowledge through applying relevant business practices, where our faculties blend theory and practical learning in our classroom, whereby empowering and imparting relevant knowledge to our Student's fair and sustainable future.

KFA, with more than two decades of experience in excellent and innovative Education, Training and Consulting deliveries, has a vibrant community of Faculties, Students and Alumni who are contributing to shape and apply the best practice of businesses at local or global arena.

Our MBA program is a transformational experience that focuses around teambuilding, leadership and business strategy. Our Students learn People Management Skills, Soft Skills and Technical Skills necessary to drive their professional endeavors with confidence, integrity and accountability.

I am certain that you will have an inspiring, enjoyable and enriching experience with us.

I am looking forward to personally welcome you at KFA.

**Jasmine Hada Bajracharya**

Director - Academics & Consulting

**Jasmine Hada Bajracharya**  
Director - Academics & Consulting

## 12 STRONG PILLARS OF KFA

### Dual Faculty System

Pillar to incorporate practical approach in learning method

### Evolve Series

Pillar to provide applicable skills for future managers

### Career Cell

Pillar to connect students with corporate world for best placement

### Student Profiling & Career Mapping

Pillar to help students find their core strengths and career path

### Entrepreneurship Brainstorming Session

Pillar to develop entrepreneurship spirit in students

### Business Enterprise Management Project

Pillar to develop system thinking in students

### **Professional Entrepreneurship Group**

Pillar for developing real entrepreneurs

### **Industry Based Research (IBR)/ Internship**

Pillar for developing industrial understanding

### **Delivering Real Consulting Assignments**

Pillar for developing problem solving capability

### **Global Economic Analysis**

Pillar for developing economic know-how

### **Business Observation Tour**

Pillar to provide students real time business exposure

### **Research-Based Weekly Economic Analysis**

Pillar to equip students with full fledged data analytics skills

## DUAL FACULTY SYSTEM (DFS)

This is our unique teaching mechanism and we are the pioneer in Nepal to implement DFS in a highly structured manner. Under DFS, two Resource Persons – the Academic Professors (APs) & the Professional Contributors (PCs) teach each and every subject of MBA Program in an integrated manner. While APs teach from the textbooks covering conventional and contemporary/emerging theories, PCs bring the real case studies from their respective work experiences to align with respective Units of the Syllabus.

*MBA Program at KFA ensures the quality education to the students with the extraordinary skills and the Dual Faculty Pedagogy one of the 12 Pillars of MBA at KFA stands ahead of the rest.*

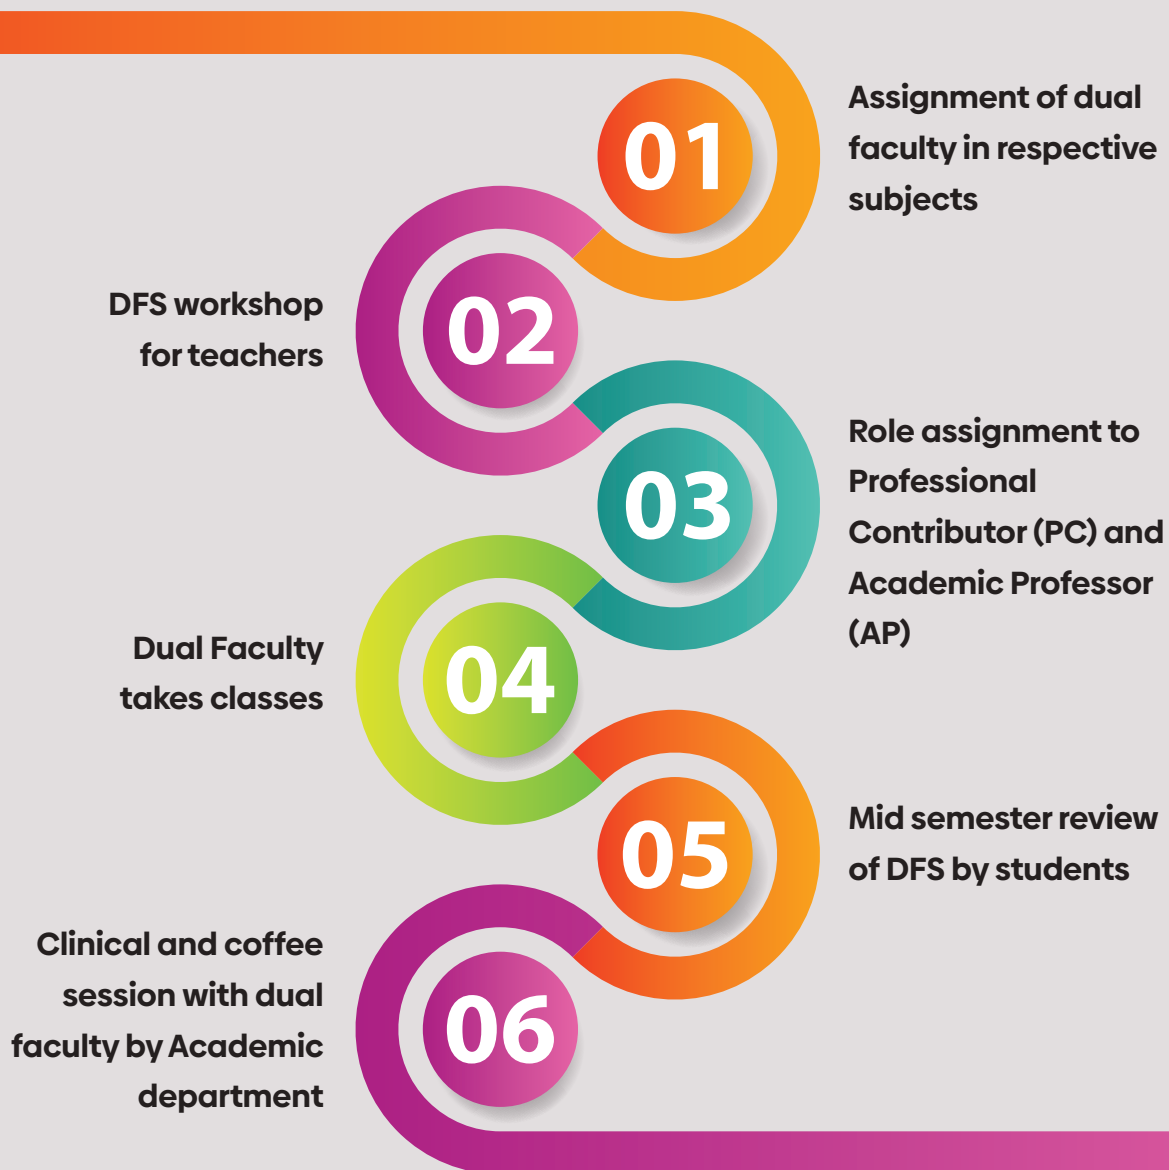

**Kabi Phuyal**

CEO-IME Life Insurance

KFA Alumni

## PROVEN PROCESS

*KFA faculties as professional contributors under dual faculty system are from varied fields. This not only gives the students the practical approach to learning but also a clear understanding of how the learning from MBA could be implemented in job world.*

**Ratna Raj Bajracharya**  
CEO - Global IME Bank

*The faculty of KFA Business School understand the need of corporate professionals and help the management in up skilling them. This is why I believe the MBA students at KFA are really fortunate to learn directly from them throughout out the semester.*

**Sohan Shrestha**  
GM- Sales Syakar Honda

## EVOLVE SERIES

Evolve Series includes a series of structured classes that help students learn, develop and polish their skills. Communication, Writing, Computing and Etiquettes are some of the many skills that students master from these classes.

*The students at KFA have good banking knowledge along with excellent communication skills. The banking courses provided by KFA helps to develop next level competency in the students.*

**Arun Sigdel**  
Manager Trade Finance, ADBL

## PROVEN PROCESS

*MBA from KFA has been complementing my banking career very well. The courses and the concepts like budgeting, performance appraisal, project management etc that were learnt during my MBA are very relatable in my day to day professional life.*

**Anoj Neupane**

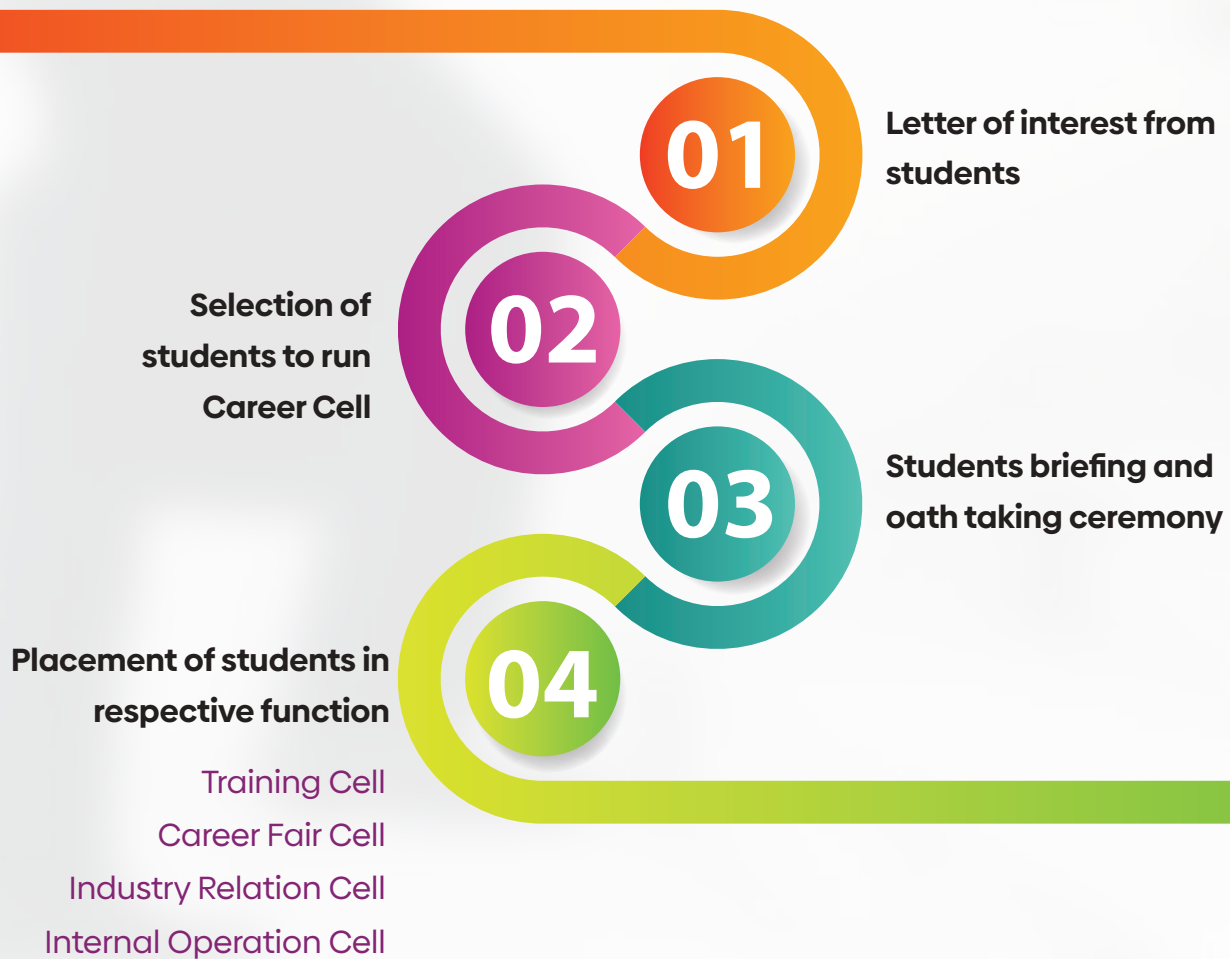

Branch Manager, NIC Asia  
KFA Alumni

## CAREER CELL

Since 2010, KFA's students have been placed in various reputed companies inside and outside the country. We have a well laid-out systematic process of meeting student's career aspirations and corporate expectations. Here, the Career Cell functions as a bridge between the College, Industries and Students.

## PROVEN PROCESS

*KFA has made a great contribution in helping human resources of my company to become a true professional in all the facets of their life.*

**Gyani Uprety**

DGM (Deputy GM) Quest  
Pharmaceuticals Pvt. Ltd.

## STUDENT PROFILING AND CAREER MAPPING

As soon as a student enrolls in MBA program, profiling is done to identify students, based on traits, characteristics, and/or behavior and most importantly their strength. Student profiling is a process of collecting their facts, insights and analysis of their skills. Once profiling is done, students get consulted and mentored by individual mentors and experts.

*All faculty members and staffs of KFA are supportive and help their students as much as they can. I was able to complete my MBA because of my hard work and KFA's support.*

**Sunita Dhungel**

Nepal Bangladesh Bank  
KFA Alumni

## PROVEN PROCESS

**01**  **Enrollment of the students**

**Student Profiling**  **02**

**03**  **Coaching and mentoring  
by personal career mentors**

**Setting SMART goals**  **04**

**05**  **Career Mapping**

## ENTREPRENEURSHIP BRAINSTORMING SESSION

At KFA, we privilege students to take their business ideas forward through Entrepreneurship Brainstorming Session. The envisioned ideas are put through a process of feasibility check. In this session, students are encouraged to freely put their business ideas for panel discussion. Once the ideas are checked for feasibility, they then are put into actions in next process i.e. Business Enterprise Management Project (BEMP) and Professional Entrepreneurs Group (PEG).

*Personally, I have been overwhelmed by the vast knowledge and expertise shared by the highly experienced faculty of KFA.*

**Nayan Gautam**

Entrepreneur  
KFA Alumni

## PROVEN PROCESS

## BUSINESS ENTERPRISE MANAGEMENT PROJECT

BEMP is a comprehensive Business Project undertaken in 'Entrepreneurship' subject during Second Year. Under BEMP, students will be involved in making a detailed business plan in consultation with experts which will help students in understanding the feasibility of the project.

*Pursuing MBA is a great platform to establish oneself as a good performer rather than being focused on theories alone. MBA at KFA has taught me how to develop the theory based knowledge and implement them into practices. Thank you KFA!*

**Bibek Karanjit**

Laxmi Bank  
KFA Alumni

# PROVEN PROCESS

## PROFESSIONAL ENTREPRENEURSHIP GROUP

This is an initiative taken by KFA to create entrepreneurship in the country. Once students are 'Business-Ready' through various subjects that they learn in the MBA Program and also upon successful completion of BEMP, they are ready for PEG.

*Roadmap To Entrepreneurial Success is a very important checklist for aspiring entrepreneurs. KFA has solely contributed in finding out that Roadmap for me.*

**Bivechan Khanal**  
KFA Alumni

## PROVEN PROCESS

## INDUSTRY BASED RESEARCH

A need assessment is undertaken in different industries to assess the gap in the organization. Students will be supervised by their respective mentors in association with the host organization. Students will work on the research topic and spend time working at host organization.

## PROVEN PROCESS

## **DELIVERING REAL CONSULTING ASSIGNMENTS**

The benefit of having prior experience in real working cases always befits the possibility to get a job you want. Under this pillar, students are assigned to do a real consulting assignment after a gap analysis in a relevant industry. The project is led by the students in groups and is assigned a supervisor.

## PROVEN PROCESS

*With its massive link to the corporate world through training and consulting, KFA has definitely set some benchmarks in the field of education, especially in MBA.*

**Deependra Pradhan**

General Manager, CTL Pharmaceuticals P. Ltd.

## GLOBAL ECONOMIC ANALYSIS

Knowledge ranging from Economic to Political to Social and Cultural helps to grow confidence in individuals. Global Economic Analysis is a comprehensive session on current global economic topics conducted twice in a semester. This is a continuous program where generally a guest speaker, who is an expert in the topic, presents an informative session backed by reliable data.

*KFA has strong and rich faculty network who are determined to provide the top notch learning environment to the students.*

**Tika Chapagain**

Veteran Former Banker

## PROVEN PROCESS

# BUSINESS OBSERVATION TOUR

## Domestic

Business Observation Tour (domestic) is a one-day program where students explore the operating cycle of a service/manufacturing/ trading company. The visit is made in the nearby company (inside valley) for the ease of learning.

*KFA has a strong corporate link and they utilize it well to benefit their students through guest lectures, placements and other mediums.*

**Rajib Giri**  
Former CEO,  
Kumari Bank Ltd

## PROVEN PROCESS

# BUSINESS OBSERVATION TOUR

## International

Those students enrolled in Day MBA are also taken outside the country to visit the International facilities after they register for it. It is a part of their course learning whereby they get exposure of international systems and processes. Students will have to register and commit to additional financial charges for the same.

*KFA is a good platform to gain practical knowledge. The theoretical cum practical teaching approach has added a lot of value to my career.*

**Pushkar Raj Bhattarai**  
Assistant Director, Nepal Rastra Bank  
KFA Alumni

## PROVEN PROCESS

# RESEARCH-BASED WEEKLY ECONOMIC ANALYSIS

Research-Based Weekly Economic Analysis (WEA) is a pillar integrated with Business Environment Analysis (BEA) Subject of 1st Semester. In this initiative, pre-defined Group of Students select Industries and conduct Research (primarily Secondary Research) by incorporating various relevant Industry dynamics, including SWOT, PESTEL and Five-Forces Model and present their work to Academic Professor (AP) and Professional Contributor (PC). This will help in understanding real issues of Industries and also reinforce 360 degree learnings, not only in BEA Subject, but also this will help in their Entrepreneurship Management Subject of 3rd Semester.

## PROVEN PROCESS

Each Class of Students are divided into four groups

Each Group will conduct research on selected Industries

Every Week, each Group presents their Analysis in a prescribed format to AP and PC of BEA Subject

Post-Presentation Interaction among the whole class is conducted

Key Learnings are summarized by mapping the same with relevant Academic Chapters of BEA.
